Media Career Overview

I have a collective 28 years experience working in multiple areas of the media. My creative, technical and production expertise includes broadcast television, video, digital cinema, feature film, audio/video editing, radio broadcasting and voice-over's. In addition to the media areas mentioned, I also have hands-on proficiency creating magazine layouts, magazine ads, copywriting, and a comprehensive knowledge of the commercial printing industry. I am the President & Founder of BIRD'S-EYE MEDIA, INC., a media production and post-production company; serving clients throughout the Chicagoland area of Illinois since 2003.
